### **HAZEN RESIDENT PUTS ACADEMICS TO WORK IN MONTANA**

#### **MISSOULA –**

Les R. Wierson, a University of Montana senior from **Hazen**, put academics to work in a summer-semester internship offered through UM's Center for Work-Based Learning.

A finance major, Wierson interned at Investment Centers of America Inc. in Williston, N.D. He will remain with the organization this fall while working toward becoming a licensed investment representative. Wierson graduated from Hazen High School in 1996. His parents are Bob and Ethel Wierson of Hazen.

UM's Center for Work-Based Learning's internship program provides opportunities for undergraduate and graduate students to integrate academic theories and principles with practical job experience related to their chosen fields. The program serves about 1,800 students each year, placing 400 to 500 of them as interns throughout Montana, the United States and overseas in more than 35 fields of employment. For more information, visit the center's Web site at [www.umt.edu/internships/](http://www.umt.edu/internships/).
